Managers only call at 3, really cleared up a lot of my questions.

No requests for SDWIS information have been received.

I'm ready to deploy for a 1 week rotation. Weekend travel/work is not a problem.

I've set up a daily REOC download at 3p, so Angela can brief us on such matters at that time. Have you been able to provide SDWIS info to the REOC?

Also I haven't seen any information regarding training requirements for this deployment. If there is any information like that out there, please send it my way so I may check folks H&S status.
